

Susan Steele

I adopted Casey now Lucy about 3 weeks ago in July 2015. She has made herself right at home.

Lucy loves walks if they are not too long, loves the playground a few blocks away and car rides.

Can't ask for a better behaved dog. No barking, jumping or accidents. Nor dumpster diving or poop eating! LOL!

I think she must be hard of hearing. She never did answer to Casey nor does she really answer to any name. Of course she is always within 2 feet of me so there is no need to call her to me.

Thanks for all the wonderful work you do. I love her so much already.
