

## **Our beagles need you...**

Rescued beagles need your help! Midwest BREW operates solely the generosity of others... like you. Big or small, every donation helps in our ability to care for these animals. We are an all volunteer organization and 100% of your donation goes to the care of our animals. Please help us provide medical care, shelter and food to these beagles that have been abused, lost, or surrendered until they find new homes. Your support enables us to create happy endings for beagles. Whether you are interested in making a general donation or sponsoring a particular beagle, your contribution will make a difference!
